

USE OF FACILITIES

J-TAG Picnic Area is a Category "A" facility that may be used by base organizations and community groups, provided there is not interference with previously scheduled activities. Groups with approved reservations will have priority in using the picnic area, restroom and shelter building. Other individuals and/or groups may use these facilities on a first come, first served basis only.

RESERVATION POLICY

A responsible member of an organization or group wishing to use the park pavilions must request and fill out a park reservation slip in person at Gear Rental. Times and dates must be specified. Reservations will be accepted on a first come, first served basis and may be submitted up to 30 days in advance. Due to the demand for space at the picnic area, it is imperative that notice be given when organizations or groups decide not to use the facility. Similarly, should it become necessary for Gear Rental to cancel a reservation, the requesting organization or group will be notified immediately.
